Guests to arrive between 16.00 and 16.30hrs please.

As we always strive to point out, One20 is a wine-café and not a restaurant. We always endeavour to absolutely please and satisfy our valued clientele and to offer and serve a menu like this we do need a little extra time to have everything perfect like last year. Christmas Lunch at One20 is therefore a very casual and relaxed affair and with breaks between each course – so plenty time to relax and make lots of festive banter, chat and laughter!

£ 135.00 per head
